What is unified power genset?

Unified Power offers containerized generator sets with CHP and Emission control system. Leveraging the expertise acquired during several years of manufacturing CHP/CCHP Modular containerized gas power solutions. With our genset containers offer optimal performance in various site conditions.

What is a containerised generator?

Containerised generators offer increased levels of weather protection for the generator unit in harsh environments. For example they're ideal for exposed locations, marine environment, oil and gas applications. As they're enclosed in a secure container that is usually a clean environment they often require less maintenance.

How many kVA can a container house a generator?

These containers house generators ranging from 800kVA to 3000kVA, available in 20ft, 40ft, and 45ft sizes, tailored to fit your specific needs. Contact us today to discuss your requirements. In addition to our standard range, we offer custom-manufactured containers tailored to your specific needs.

Are containerized generators reliable?

Years of use in the rental, oil and gas, mining and other heavy-duty industries have tested the reliability, usability and durability of our containerized generators. Our primary design challenges in developing this line of containerized generators were usability, reliability and functionality for the end user.

What are containerized generator / packaged container and enclosure options?

Containerized generator / Packaged container and enclosure options provide alternatives to installations in existing or new buildings. We have significant experience with pre-packaged container and enclosure solutions for engine-generator sets, balance of plant equipment, and switchgear.

Nuku alofa has pleasantly warm but humid tropical climate. Daytime temperatures are around 30 °C while night are still well above 20 °C. The wet season lasts from November to April while the period from May to October sees less rain and more sun. Still, some heavy showers are possible during this time but it is the best time to visit Nuku ...

Die Ursprünge der Stadt gehen auf eine Festung zurück. Diese wurde 1807 durch Finau, Häuptling Ha?apais, zuerst zerstört und dann wieder aufgebaut, bevor sie im darauffolgenden Jahr durch Tarki, einem anderen Häuptling, wieder zerstört wurde. Als 1845 Tonga wiedervereinigt wurde, erklärte König George Tupou I. Nuku?alofa zur Hauptstadt Tongas.

The harbor wall along Vuna Road, where most of Nuku"alofa's tourist accommodation is located, is good for a stroll and spotting the offshore islands if nothing else to do but the beach is of coarse coral and often littered but is OK for swimming. The clothing here is unique. About half the men wear an ankle-length lava-lava, which we would call ...
