

300W portable solar light

What is elecaenta 300W solar panel?

The ELECAENTA 300W solar panel is made for adventure. Great for camping, hiking, sailing, panic, fishing, emergency, or off-grid situations. With power station (sold separately) simultaneously, you can get unlimited power source from the sun. IP54 protection level, it can effectively prevent splash and dust during normal use.

How much power does a 300W solar panel produce?

Engineered using Passivated Emitter and Rear Contact (PERC) A-grade monocrystalline cells, our 300W panels will produce up to 18.3A per hour, making them perfect for keeping up with larger set ups running appliances from inverters, as well as your standard 12V fridges, lights and chargers.

Why should you choose elecaenta 300W solar panel?

The ELECAENTA 300W solar panel has higher tensile strength, stronger thermal shrinkage, stronger resistance to physical breakdown. You don't have to worry about easily damaging the solar panel in normal use. It has 4 adjustable kickstands supports to provide the best angle towards the sun.

What is included in a portable solar panel kit?

Portable Solar Panel Kit Includes: Alligator clip for RV/CAR, and LIFEPO4, LITHIUM, AGM, LA, GEL batteries. This portable solar panel is versatile. Whether you go RVing, boating, camping or fishing, this solar panel can be a reliable partner and provide energy for your power station and electronic devices.

What is a powerwerx fsp-300w solar panel?

Read Full Description Powerwerx FSP-300W folding 300 watt solar panel is ideal for keeping your batteries and smart devices charged. The perfect companion to powering your outdoor activities. Clean portable power that is easy to transport, and completely silent with no EMI/RFI.

Are portable solar panels waterproof?

The portable solar panel is not a device to store electrical energy. It is only used to convert sunlight directly into electricity and output it to your electronic devices immediately! The surface of the solar panel is waterproof while the junction box is not waterproof. Please do NOT immerse the folding panel solar in water!
