Hi hardhat. Thank you for taking the time to reach Renogy. Our solar panels can charge the Jackery 1000 Pro Power Station. However, our solar panels use an MC4 connector, and the Jackery 1000 Pro has a DC8020 port to connect the solar panels. Because of this, the solar panel will not connect directly to the power station.

Compared to other polycrystalline and amorphous solar panels of the same size, our monocrystalline solar panel charges faster ... 50W Solar Panel (MPPT) Add to Cart . 10W Solar Panel . Add to Cart . Trail Camera Solar Panel . Buying ...

Go for efficient and robust amorphous solar panel 50w at Alibaba for both residential and commercial uses.
