

Belmopan Solar Panel System Manufacturer

Where is Belmopan located?

Belmopan is the capital city of Belize. There are about 20,000 people living there. Belmopan is at an altitude of 76 metres (250 ft) above sea level. Belmopan was built just to the east of the Belize River. It is 80 kilometres (50 miles) inland from the former capital, the port of Belize City.

Will Belize Electricity compensate you for excess solar energy?

The hope is that through regulations, Belize Electricity Ltd will have to compensate you for excess solar energy flowing to the grid during the day and off-set it against the electricity you are drawing from the grid at night; however, the reality today is the opposite.

Who installs the Orange Gallery Solar System?
