

Lithium battery group third quarter performance report

How did Sigma lithium perform in Q3 2023?

THIRD QUARTER 2023 AND RECENT HIGHLIGHTS (\$USD) Sigma Lithium reported third-quarter revenue of USD \$97 million, marking the Company's first revenue-generating quarter as it successfully transitioned to a leading global lithium producer.

How much did Sigma lithium earn in third quarter 2023?

THIRD QUARTER 2023 AND RECENT HIGHLIGHTS (\$USD) Sigma Lithium reported third-quarter revenue of USD \$97 million, marking the Company's first revenue-generating quarter as it successfully transitioned to a leading global lithium producer.

How did Sigma lithium perform in the third quarter?

Sigma Lithium ended the third quarter with USD \$28.2 million in cash and cash equivalents. This represents a modest draw from the \$33 million in cash at the quarter ended June 30, 2023. Positive earnings contributions were offset as the Company built working capital balances on account of the first commercial shipments.

When will Sigma lithium's strategic review process end?

Strategic review is ongoing and the process advanced to final rounds on November 1, 2023. CEO Remarks: "In our first quarter of revenue generation, Sigma Lithium has achieved positive operating profit, enabled by our impressive cost-efficient operating model," said Company Co-Chairperson and CEO Ana Cabral.

Why did Sigma lithium achieve a positive operating profit?

CEO Remarks: "In our first quarter of revenue generation, Sigma Lithium has achieved positive operating profit, enabled by our impressive cost-efficient operating model," said Company Co-Chairperson and CEO Ana Cabral. "Looking ahead we expect to deliver increasing production volumes at a lower cost with a high standard of quality and purity."

Will Sigma lithium make a strategic decision in 2023?

Sigma Lithium recently announced that its strategic review process has advanced to the final round and is expected to reach a decision by the end of 2023. Remaining interested parties have "agreed-in-principle" to preserve the Company's environmental and social sustainability centered business model in a potential strategic transaction.
