

Can nzbox modify a shipping container?

Turn your container modification dream into a reality with NZBOX. NZBOX do modifications on any shipping container type in New Zealand and supply shipping containers globally, modifying them to your needs.

Why should you choose NZ containers?

NZ Containers have a growing number of satisfied customers throughout the South Island who have taken advantage of their shipping container modification service. Shipping Containers are robust, durable and versatile units, and can be turned into practical spaces such as sleepouts, workshops and even retail stores or coffee shops!

Do you supply stand-alone shipping containers to the New Zealand market?

We also supply a wide range of stand-alone shipping containers, including all sizes and configurations, to the New Zealand market. We saw a need in the New Zealand market for a strong, durable and secure structure which can be larger than a shipping container alone.

Who are Sea Containers NZ?

SEA Containers NZ is a team specialising in modifying and customising containers. With extensive engineering and fabrication experience, they provide high-quality container modifications NZ-wide to meet various needs.

Who offers container conversions in New Zealand?

SEA Containers is proud to offer innovative and high-quality container conversions in New Zealand. Contact our friendly team today by phone call or email to discuss your container conversion requirements and request a no-obligation quote.

Which NZ container sizes are available?

NZ Containers offer 10ft, 20ft and 40ft standard units. All suitable for container modification projects, depending on your needs and specific use case. You may opt to use one size or combine them for larger-scale applications, such as portable buildings or workshops.
